HOLIDAY Homework

Session 2026-2027

Name: _____

Class: Vth Section:

FOR THE PARENTS

Summer Vacations are here. A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

- ★ Keep at least half an hour a day for sharing experiences with your child.
- ★ Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.
- ★ Tell your child different stories regularly and encourage him to describe what he/she would do in a similar situation. Here are few suggested titles which you can read with your child.
 - a. Hare and the Tortoise
 - b. Emperor's New Clothes
 - c. Thumbelina
- ★ Let your child colour, draw, paint, play with water and sand etc.
- ★ Restrict his or her television watching, confining it to interesting children's programs, cartoon films, Discovery channel etc.
- ★ To improve the formation of letters, make your child write a page everyday.
- ★ Develop self-help skills: Let your child dress and feed on his/her own.
- ★ Make him understand the importance of cleaning his room and putting away toys and belongings after use.
- ★ Take your child out for picnics and to other places of his/ her interest. Ask him/her to make a note of all the places she/ she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation.

Have a nice time!

Dr. Manoj Kumar Singh
Principal

Q2. Activity: Regional New Year

India is a culturally diverse country with a rich heritage. Many states have their own Unique Calendars and Regional New Year celebrations.

1) Find out four states - one each from the North, South, East, and West of India—that celebrate their New Year in April.

2) Mark them on an outline map of India

3) Find the capital city of these states.

4) Find the population of these states and arrange them in ascending order.

5) Write the number names of the populations of the states with the greatest and the least populations.

Note: All the above questions and the activity must be completed on A4-size paper and filed properly.
